

BACHELOR OF SCIENCE IN BUSINESS

2024-2025

The Bachelor of Science in Business is a 120-credit program with concentration options including: Accounting, Management Information Systems, Marketing, Finance, and Innovation and Entrepreneurship. As a business major at NJIT, you can combine an outstanding traditional business curriculum with the opportunity to gain critical insights into technologies that, increasingly, are the foundation of thriving industries and economies around the world. The business core provides fundamental business knowledge with courses in accounting, finance, marketing, law and ethics and strategic management. In addition, students gain technological knowledge in management information systems, business software platforms, and technological innovation. Before junior year, and after taking introductory courses in the business core, students choose a concentration area and must complete 15 credits within the chosen field. There are many opportunities for internships and cooperative education that can be applied towards your degree requirements.

First Year

First Semester

	Business Concentration Elective	3
	Humanities and Social Sciences Senior Seminar HSS 400+ Level (GER)	3
	Term total credits	12
	Total curriculum credits	120

Concentration Options for Business Major

Accounting Systems: The accounting systems concentration is for students who are interested in becoming Certified Public Accountants or working in the field of accounting and accounting information systems. Accounting concentration courses include CPA eligibility requirements. Students in this concentration will be encouraged to pursue internships in the field in order to apply the skills learned in the classroom and enhance their career prospects for the future.

Course work includes five (5) courses from:

ACCT 325	Intermediate Accounting I (Pre-req: ACCT 215)	3
ACCT 335	Managerial Accounting II (Pre-req: ACCT 215)	3
ACCT 340	Accounting Data Analytics and Visualization (Pre-req: ACCT 115; ACCT 215; MGMT 216. Pre or Corequisites: MIS 385)	3
MGMT 360	Business Law II	3
ACCT 403	Financial Statement Analysis (Pre-req: FIN 218, FIN 315)	3
ACCT 415	Auditing (Pre-req: ACCT 435)	3
ACCT 425	Tax Accounting I (Pre-req: ACCT 215)	3
ACCT 435	Intermediate Accounting II (Pre-req: ACCT 325)	3
MGMT 310	Co-op Work Experience I	3

Business and Sports Analytics: The Business and Sports Analytics concentration focuses on equipping students with essential skills in data analysis, predictive modeling, and decision-making applicable to business disciplines such as accounting, finance, marketing, and supply chain. The program aims to train students to utilize quantitative methods, data management techniques, and business intelligence tools to make informed business decisions.

Course work includes five (5) courses from:

MRKT 378	Marketing Analytics (Pre-req: MRKT 330, MGMT 216 & MGMT 316)	3
ACCT 340	Accounting Data Analytics and Visualization (Pre-req: ACCT 115; ACCT 215; MGMT 216. Pre or Corequisites: MIS 385)	3
FIN 320	Fin Data Analytics (Pre-req: CS 100 or CS 103, MATH 333 or MGMT 216, & FIN 218)	3
MRKT 470	Data-driven Marketing Decision Making (Pre-req: MRKT 330)	3
OM 470	Supply Chain Management and Analytics (Pre-req: MGMT 316 & OM 375)	3
MIS 423	Sports Management and Analytics with Python Application (Pre-req: MGMT 116 & MGMT 216)	3
MGMT 310	Co-op Work Experience I	3

Finance: The finance concentration focuses on financial analysis and risk measurement and the financial technologies and tools that analysts and managers use to make business decisions. Courses cover topics such as securities, risk management, financial statement analysis, and international finance. Recent NJIT graduates from our finance concentration are addressing the need in the financial services industry for IT savvy business analysts at companies such as JPMorgan Chase, UBS, and Prudential.

Course work includes five (5) courses from:

ENTR 320	Financing New Venture (Pre-req: ENTR 210)	3
FIN 403	Financial Statement Analysis (Pre-req: FIN 218, FIN 315)	3
FIN 416	Advanced Corporate Finance (Pre-req: FIN 218, FIN 315)	3
FIN 417	Investments Management	3
FIN 422	International Finance (Pre-req: FIN 218, FIN 315)	3
FIN 430	Options and Futures Markets (Pre-req: FIN 218, FIN 315, MATH 135)	3
MGMT 310	Co-op Work Experience I	3

Marketing: The marketing concentration covers topics from product development and management to consumer behavior and international marketing. Students also learn about marketing technology intensive products and services, which requires an understanding of how those products or services can help a business and an understanding of the technologies used in the product. Courses emphasize selling and promotion, product design and market research, and

digital marketing. Recent graduates with a marketing concentration work at companies, such as Devix Corporation, L'Oreal and Fujifilm.

Course work includes five (5) courses from:

ENTR 210	Introduction to Entrepreneurship	3
MRKT 331	Customer Insights (Pre-req: MGMT 116 or MATH 105, MRKT 330)	3
MRKT 338	New Product Design and Development (Pre-req: MRKT 330)	3
MRKT 339	Selling (Pre-req: MRKT 330)	3
MRKT 360	Digital Marketing (Pre-req: MRKT 330)	3
MRKT 378	Marketing Analytics (Pre-req: MRKT 330, MGMT 216, MGMT 316)	3
MRKT 420	Product and Brand Management (Pre-req: MRKT 330)	3
MRKT 430	Marketing Research (Pre-req: MRKT 330)	3
MRKT 432	Sales Management (Pre-req: MRKT 339)	3
MRKT 434	Business to Business Marketing (Pre-req: MRKT 330)	3
MRKT 435	International Marketing (Pre-req: MRKT 330)	3
MRKT 485	Special Topics in Marketing	3
MGMT 310	Co-op Work Experience I	3

Innovation and Entrepreneurship: The Innovation and Entrepreneurship concentration prepares students for careers where they will be commercializing new ideas into new business ventures and new business lines for existing ventures. In addition to business fundamentals in accounting, economics, marketing, and management, students will learn about New Venture Management and Financing.

Course work includes five (5) courses from:
